

Dear Parents,

The Science Department at Sequoia Middle School would like to provide a high quality activity-based science program. Our budget for instructional supplies is extremely limited. So that we can expand our program with more lab activities and other learning opportunities, the Science Department requests a tax-deductible lab donation (\$10-\$20 suggested). We appreciate any amount you can contribute and will issue a receipt for tax purposes. **Thank you if you already made a donation at registration.**

Please make checks payable to Sequoia Middle School – Science. Return any contributions with the form below to your child’s science teacher by Friday, September 4.

Thank you for your consideration for enriching the students’ science experience at Sequoia!
